the active military service of the United States who, in the judgment of those in authority over him, satisfactorily completes the period of service required under this joint resolution, shall be entitled to a certificate to that effect upon the completion of such active duty or such period of service, which shall include a record of any special proficiency or merit attained. In addition, each such person who is assigned to such active duty or ordered into such active military service shall be given a physical examination at the beginning of such active duty or service; and upon the completion of the period of such active duty or service, each such person shall be given another physical examination and, upon the written request of the person concerned, shall be given a statement of medical record by the War Department: *Provided*, That such statement shall not contain any reference to mental or other conditions which in the judgment of the Secretary of War or the Secretary of the Navy would prove injurious to the physical or mental health of the person to whom it pertains."

SEC. 2. Section 8 (a) of the Selective Training and Service Act of 1940 is hereby amended to read as follows:

"SEC. 8. (a) Any person inducted into the land or naval forces under this Act for training and service, who, in the judgment of those in authority over him, satisfactorily completes his period of training and service under section 3 (b) shall be entitled to a certificate to that effect upon the completion of such period of training and service, which shall include a record of any special proficiency or merit attained. In addition, each such person who is inducted into the land or naval forces under this Act for training and service shall be given a physical examination at the beginning of such training and service; and upon the completion of his period of training and service under section 3 (b), each such person shall be given another physical examination and, upon the written request of the person concerned, shall be given a statement of medical record by the War Department: *Provided*, That such statement shall not contain any reference to mental or other conditions which in the judgment of the Secretary of War or the Secretary of the Navy would prove injurious to the physical or mental health of the person to whom it pertains."

Approved, July 28, 1942.
